Application: Request for Designation as a Regional Center
Applicant(s): Roy Norton

Re: Florida Overseas Investment Center

Pursuant to Section 610 of the Appropriations Act of 1993, on December 3, 2008, Roy Norton submitted a proposal seeking approval and designation by U.S. Citizenship and Immigration Services (USCIS) of the Florida Overseas Investment Center.

Based on its review and analysis of your proposal, and of your response to the USCIS Request For Evidence, USCIS hereby designates Florida Overseas Investment Center as a Regional Center within the Immigrant Investor Pilot Program and approves the request as described below:

GEOGRAPHIC AREA:

The Florida Overseas Investment Center shall have a geographic scope which includes the entire state of Florida.

FOCUS OF INVESTMENT ACTIVITY:

As depicted in the economic model, the general proposal and the economic analysis, the Regional Center will engage in the following economic activity: equity capital funding and lending for the development of commercial and industrial real estate projects.

The Regional Center for EB-5 Immigrant purposes shall focus investments into new commercial enterprises in the following 12 target industry economic clusters:

1. Hotel and Hospitality
2. Retail Shopping
3. Industrial
4. Restaurant

5. Office Buildings
6. Hospitals and Senior Care Facilities
7. Agriculture
8. Educational Facilities
9. Sports Entertainment
10. Energy
11. Food Processing
12. Mixed Use Projects

If any investment opportunities arise that are beyond the scope of the approved industry clusters, then an amendment would be required to add that cluster.

Aliens seeking immigrant visas through the Immigrant Investor Pilot Program may file individual petitions with USCIS for these commercial enterprises located within the approved Regional Center area.

The geographic focus of this area may contain some High Unemployment Targeted Employment Areas (TEAs) as designated by the State of Florida, and rural TEAs as defined in 8 CFR 204.6(e). Therefore, the minimum capital investment threshold for any individual immigrant investment into an approved commercial enterprise throughout the Regional Center shall be not less than \$500,000, if the investment target is located within a TEA or \$1,000,000 if it is located outside of a TEA. No debt arrangement will be acceptable unless it is secured by assets owned by the alien entrepreneur. A full capital investment must be made and placed at risk.

EMPLOYMENT CREATION

Immigrant investors who file petitions for commercial enterprises located in the Regional Center area must fulfill all of the requirements set forth in 8 CFR 204.6, except that the petition need not show that the new commercial enterprises created ten new jobs indirectly as a result of the immigrant investor's investment. This determination has been established by way of USCIS' acceptance of the final economic analysis that is contained as part of the approved Regional Center proposal and its indirect job creation model and multipliers contained within the final approved Regional Center application package. Rather, the investor must show at the time of removal of conditions that they performed the activities described in the model and on which the approved methodology is based.

In addition, where job creation or preservation of existing jobs is claimed based on a multiplier rooted in underlying new "direct jobs", the immigrant investor's individual I-526 petition affiliated with your Regional Center, should include as supporting evidence:

- A comprehensive detailed business plan with supporting financial, marketing and related data and analysis providing a reasonable basis for projecting creation of any new direct jobs for "qualifying employees" to be achieved/realized within two years pursuant to 8 CFR 204.6(j)(4)(B).

An alien investor's I-829 petition to remove the conditions which was based on an I-526 petition approval that involved the creation of new direct jobs or the creation of new indirect jobs based on a multiplier tied to underlying new direct jobs needs to be properly supported by evidence of job creation. To support the full number of direct and indirect new jobs being claimed in connection with removal of conditions, the petition will need to be supported by probative evidence of the number of new direct full time (35 hours per week) jobs for qualified employees whose positions have been created as a result of the alien's investment. Such evidence may include copies of quarterly state employment tax reports, Forms W-2, Forms I-9, and any other pertinent employment records sufficient to demonstrate the number of qualified employees whose jobs were created directly.

Additional Guidelines for individual Immigrant Investors Visa Petition (I-526)

Each individual petition, in order to demonstrate that it is associated with the Regional Center, in conjunction with addressing all the requirements for an individual immigrant investor petition, shall also contain as supporting evidence relating to this Regional Center designation, the following:

1. A copy of this letter, the Regional Center approval and designation.
2. A copy of the USCIS approved Regional Center narrative proposal and business plan.
3. A copy of the job creation methodology required in 8 CFR 204.6(j)(4)(iii), as contained in the final Regional Center economic analysis which has been approved by USCIS, which reflects that investment by an individual immigrant investor will create not fewer than ten (10) full-time employment positions, either directly or indirectly, per immigrant investor.
4. A legally executed copy of the USCIS approved:
 - a. Private Placement Memorandum (revised version of May 2009);
 - b. Limited Partnership Agreement (revised version of May 2009);
 - c. Subscription Agreement (revised version of May 2009);
 - d. Escrow Agreement (revised version of May 2009); and
 - e. Escrow Instructions (revised version of May 2009)

DESIGNEE'S RESPONSIBILITIES INHERENT IN CONDUCT OF THE REGIONAL CENTER:

Therefore, in order for USCIS to determine whether your Regional Center is in compliance with the above cited regulation, and in order to continue to operate as a USCIS approved and designated Regional Center, your administration, oversight, and management of your Regional Center shall be such as to monitor all investment activities under the sponsorship of your Regional Center and to maintain records, data and information on a quarterly basis in order to report to USCIS upon request the following year to date information for each Federal Fiscal Year¹, commencing with the initial year as follows:
