**Re: USIF et al. v. Litowitz et al., Index No. 159222/2018**

Dear Honorable Justice,

I hereby request expedited consideration of my Motions to Dismiss For Lack of Personal Jurisdiction and Motion for To Strike and For Sanctions. I would ask for a hearing by telephone (or a decision) in the next couple of weeks. This is actually an easy case for Your Honor, since the \$23 million Complaint is threadbare, preposterous, lacks any statement of jurisdiction, and is scandalous. I want it stricken from the SCROLL system.

The Complaint – which is verified by a lawyer no less – alleges that I (an Illinois attorney in good standing for 30 years) engaged in a fraudulent scheme, defamed a large number of people, engaged in the unauthorized practice of law in New York and Hong Kong, engaged in the unlicensed practice of an investment adviser in violation of two state laws and federal law, that I somehow became a “principal” in a Hong Kong company despite no evidence to that effect, that I come from the “seedy” side of the legal profession, that I breached the code of professional responsibility of my home state, that I breached contracts to which I am not even a party, and that I engaged in some vague “campaign of fraud and deception.” The Complaint attaches exhibits about my personal life having absolutely nothing to do with this flimsy case. The entire matter is designed to harass and delay. The Complaint should be dismissed for lack of jurisdiction and sanctions should be imposed.

I understand that Your Honor has a crowded docket and that you must be under pressure from all sides. But the very existence of this Complaint in the New York court system is causing damage to my practice, since my clients are asking about it. I humbly ask Your Honor to review this case on an expedited basis, dismiss the action, and impose the punishments requested.

Respectfully,

  
Doug Litowitz
