The Inspiration Epidemic: How Positive Attitudes Lead to Rapid Expansio

The passion that drives that inspired the properties of the proper

American Leadership Academy, was established by Gleen Way. Inspired by his experience with state charter laws and his wife's passion for involvement in their children's education, American Leadership Academy, was conceived as a leadership-oriented public charter who viewed the educational institution as merely a partner in the parents' sacred responsibility to educate their child.

Before Nr. Way took over the former Engles Aires charter school, it had 188 studiests. In 2009 the ever fire. American Luderian Academia enemed with 500 subsens in networkance ALA was so successful that the next joint five queened seew willing to suitify the increasing number of high school applicants. A new K-8 campus followed the year after that New "American Leadership Academy has 6 charter schools educating over 4,000 children.

But who has American Leadership Academy earned so much support so quickly? They have adapted the philosophs and Calerter school programs of worker dimensis author, reluctant and keynote speakers. Duttor Stephen B, Cornyl for the use of educating young minds. Dr. covery is loadership-permitted self-alphy to see. The first frightly different People, had been that she could use it's philosophile to save her failing action of the successfully braned A.B. Combine Elementary into the #1 imagest school in the country by adapting the Pable.

In 2008, Covey published The Leader In Me, documenting the outcomes that staff, students & parents experienced at A.B. Combs and several other schools that replicated Ms. Summer

Today, The Leader In Me is a model used by over 1,660 schools worldestde, including Ala, improve the operation of educational facilities. Als yellow a lailwood to enter that The temporary the operation of educational facilities. Als yellow a lailwood to their that The Leader In Me prayrum in fast 1,660 schools have, worldwide - but only the best are receptioned as Lighthouse Schools a leighthouse School as from that have used the Leader In Me to effectively that they are designated as model institutions for other participants of Me to the Conference of the Confere

- 开发商100%的成功历史记录 • 项目所在区域 (TEA) 获美国移民局认可
- · 每50万美元EB-5投资能创造远超10个的直接就业机会

项目介绍

我们的原因:

目前在美国,特许学校持续迅速增长并普及,因 为他们超越了传统的公立学校,获得了良好的公 众知名度,迎合了市场需求。目前全美共有5,600 所特许学校。在华盛顿特区教育改良中心的统计 数据中,全美仍有120万人在候补名单中等待, 还须建立4,000所特许学校以满足市场需求。

特许学校:

20世纪90年代以来,为了切实提高学校教育的质 量与效益,美国的基础教育经历了一系列的改 革,其中,引人注目的是特许学校的出现。"特 许(charter)"一词意味着在公共教育的名义下,不 用政府进行微观管理,就可以向家庭提供明智的 择校机会。特许学校是对所有人开放的私立学 校,由政府支付经费,要求给学生以基本的健 康、安全以及非歧视的保障。

Testimonial

"Working with EB-5 Supermarket has been paramount to the successful launch of our project offering and regional center. Not only was the final product brilliantly done with great quality, but the layout and the message of our project was appropriately highlighted to help show the project's many strengths. EB-5 Supermarket worked with us on an extremely tight timeline and delivered a beautiful product. Once we finished all materials, EB-5 Supermarket then assisted in connecting us to their impressive network throughout China. We look forward to working with EB-5 Supermarket again in the future."

--Ariel Torbati

Vice President of the Lubert Adler Regional Center

"We use EB-5 Supermarket for all our marketing needs regarding the Chinese market, including translation, design, and marketing promotion. We appreciate their high-quality service and plan to continue to do business with them in the future."

--Laura Kelly

Vice President of Marketing of the NES Financial

"We are very thankful and appreciative of the relationship that we have developed with our China marketing partner – EB-5 Supermarket. Their marketing service: including website design, flyer/poster/brochure design, booth decoration and translation has been wonderful. Many of our agents and investors have commented to us about how clean looking and professional our new brochure and web site design is. EB-5 Supermarket team gets a 9.5 out of a possible 10 score from me on that work."

-- Gregory Wing

President & CEO of the Education Fund of America, LLC

"We have worked with the EB-5 supermarket team on various projects and have been very pleased with the results. We highly recommend their services!"

--Julia Yong-hee Park
