Application: Request to Amend Designation as a Regional Center
Applicant(s): Douglas R. Holmes

Re: Clark County Regional Center
RCW1036450138

Pursuant to Section 610 of the Appropriations Act of 1993, on August 20, 2009, Clark County Regional Center was approved and designated as a regional center to participate in the Immigrant Investor Program. On December 30, 2010, Douglas R. Holmes submitted a proposal seeking to amend the approval and designation by U.S. Citizenship and Immigration Services (USCIS) of Clark County Regional Center as follows:

To add three (3) additional target industry categories: Construction (NAICS 23), Accommodation and Food Services (NAICS 72) and Retail Trade (NAICS 45).

Based on its review and analysis of your proposal USCIS approves the request.

GEOGRAPHIC AREA:

The Clark County Regional Center shall have a geographic scope to include the Nevada county of Clark.

FOCUS OF INVESTMENT ACTIVITY:

As depicted in the economic model, the general proposal, business plan and associated economic analysis, the Regional Center will engage in the following economic activities: construction and development of infrastructures in the Regional Center.

The Regional Center shall focus on offering EB-5 compliant capital investment opportunities into new commercial enterprises or a mix of commercial enterprises in the following target industry economic categories:

- | | |
|-------------|------------------------------------|
| 1. NAICS 23 | Construction |
| 2. NAICS 72 | Accommodation and Food Services |
| 3. NAICS 45 | Retail Trade |
| 4. NAICS 33 | Light Industrial Warehouse/Space |
| 5. NAICS 32 | Multi-Story Office Buildings |
| 6. NAICS 53 | Retail Strip Mall Shopping Centers |
| 7. NAICS 62 | Skilled Nursing Facilities |

If any investment opportunities arise that are beyond the scope of the approved industry categories, then an amendment would be required to add that cluster.

Aliens seeking immigrant visas through the Immigrant Investor Pilot Program may file individual petitions with USCIS for capital investments in new commercial enterprises located within and affiliated with the approved Regional Center area.

For any alien requesting the reduced threshold of \$500,000 based upon an investment in a Targeted Employment area, the alien must establish at the time of filing of the I-526 petition that either the investment will be made in a TEA designated area or was made in a TEA designated area at the time of the alien's initial investment into the enterprise.

EMPLOYMENT CREATION

Immigrant investors who file petitions for capital investments in new commercial enterprises located within and affiliated with the Regional Center area must fulfill all of the requirements set forth in INA 203(b)(5), 8 CFR 204.6, and 8 CFR 216.6, except that the petition need not show that the new commercial enterprises created ten new jobs directly as a result of the immigrant investor's investment. The determination whether the alien investor has met the job creation requirements will be established by a review of the required initial evidence at 8 CFR 204.6(j) and 8 CFR 216.6(a)(4) for the Form I-526 and Form I-829 petitions, respectively. The capital investment and job creation activities outlined in the individual petitions must fall within the bounds of the final economic analysis that is contained as part of the approved Regional Center proposal and its indirect job creation model and multipliers contained within the final approved Regional Center application package. The immigrant investor must show at the time of removal of conditions that they performed the activities described in Form I-526 petition, and the activities must be based on the approved regional center methodology for demonstrating job creation. The econometric model for the initial industry categories (Light Industrial Warehouse/Space, Multi-Story Office Buildings, Retail Strip Mall Shopping Centers and Skilled Nursing Facilities) is IMPLAN. Further, the econometric model for the additional industry categories (Construction, Accommodation and Food Services and Retail Trade) is RIMS II.

In addition, where job creation is claimed based on multipliers rooted in revenue generated by businesses or estimated project costs expenditures, the immigrant investor's individual I-526 petition affiliated with your Regional Center, should include as supporting evidence:

- A comprehensive detailed business plan with supporting financial, marketing and related data and analysis providing a reasonable basis for projecting creation of indirect and/or induced jobs to be achieved/realized within two years pursuant to 8 CFR 204.6(j)(4)(B) and reasonable methodologies pursuant to 8 CFR 204.6(m)(7)(ii).

An alien investor's I-829 petition to remove the conditions which was based on an I-526 petition approval that involved the creation of new indirect jobs based on multipliers tied to job creation inputs such as revenue generated by businesses or estimated project expenditures costs, needs to be supported by evidence showing the space is occupied by such businesses and that the funds were expended in the job-creating activity. Such evidence may include reasonable methodologies like multiplier tables, feasibility studies, and other economically or statistically valid forecasting devices which indicate the likelihood that the alien's investment has resulted in increased employment.

Additional Guidelines for Individual Immigrant Investors Visa Petition (I-526)

DESIGNEE'S RESPONSIBILITIES INHERENT IN CONDUCT OF THE REGIONAL CENTER:

The law, as reflected in the regulations at 8 CFR 204.6(m)(6), requires that an approved Regional Center in order to maintain the validity of its approval and designation must continue to meet the statutory requirements of the Immigrant Investor Pilot Program by serving the purpose of promoting economic growth, including increased export sales (where applicable), improved regional productivity, job creation, and increased domestic capital investment. Therefore, in order for USCIS to determine whether your Regional Center is in compliance with the above cited regulation, and in order to continue to operate as a USCIS approved and designated Regional Center, your administration, oversight, and management of your Regional Center shall be such as to monitor all investment activities under the sponsorship of your Regional Center and to maintain records, data and information in order to provide the information required on the Form I-924A supplement. Form I-924A, Supplement to Form I-924 is available in the "Forms" section on the USCIS website at www.uscis.gov.

Effective November 23, 2010, the failure to timely file a Form I-924A Supplement for each fiscal years in which the regional center has been designated for participation in the Immigrant Investor Pilot Program will result in the issuance of an intent to terminate the participation of the regional center in the Pilot Program, which may ultimately result in the termination of the approval and designation of the regional center.

Note: The requirement for the filing of Form I-924A Supplement commences in fiscal year 2011. Each regional center that remains designated for participation in the pilot program as of September 30, 2011 must submit the Form I-924A Supplement with the required supporting documentation on or before December 29, 2011.

If you have any questions concerning the Regional Center approval and designation under the Immigrant Investor Pilot Program, please contact the USCIS by Email at USCIS.ImmigrantInvestorProgram@dhs.gov.

Sincerely,
